Names of the days of the week Wikipedia
April 21st, 2019 - The names of the days of the week in many languages are
derived from the names of the classical planets in Hellenistic astrology
which were in turn named after contemporary deities a system introduced by
the Roman Empire during Late Antiquity In some other languages the days are
named after corresponding deities of the regional culture either beginning
with Sunday or with Monday

Names of the days of the week Wikipedia
April 21st, 2019 - The names of the days of the week in many languages are
derived from the names of the classical planets in Hellenistic astrology
which were in turn named after contemporary deities a system introduced by
the Roman Empire during Late Antiquity In some other languages the days are
named after corresponding deities of the regional culture either beginning
with Sunday or with Monday
