The clue was last seen on the New York Times May 2, 2018 crossword. The answer has to involve the two-party system somehow, as it is the very popular game available for Android devices. If you have any other questions or need extra help, feel free to contact us or use the search box. Today's answers to the New York Times crossword are on our website. The two-party system evolved in the USA, with Madison and other founders being profoundly opposed to having political parties because the constitution is set up for winner-take-all elections. Therefore, the two-party system continues because of tradition and reluctance to support minor parties. Americans agree on fundamental issues, so conditions that could produce several strong rival parties do not exist.
