The history of Methodism in the United States dates back to the mid-18th century with the ministries of early Methodist preachers such as Laurence Coughlan and Robert Strawbridge. Following the American Revolution, most of the Anglican clergy who had been in America came back to England. John Wesley, the founder of Methodism, sent Thomas Coke to America where he and Francis Asbury founded the Methodist Episcopal Church. The present denomination was founded in 1968 in Dallas, Texas, by union of the Methodist Church and the Evangelical United Brethren Church. The UMC traces its roots back to the revival, when each of us, following our leaders, examines our own privileges, power, and resources and thoughtfully understands how we got them and when to intentionally let them go, it leads to a better community where we all benefit.
